George Gets Latest Scoop On Gas Air Conditioning

If summer's hot weather bothers George Ciganovich, 24243 Falena, it won't be because he doesn't know what to do about it.

Ciganovich, a sales representative with Southern Counties Gas Co.'s Harbor Division, recently attended a special four-day training seminar on gas air conditioning equipment at the Hacienda Hotel, San Pedro.

The seminar, according to R. M. McIntyre, manager of commercial and industrial sales for Southern Counties, was held for three reasons: (1) to provide a solid technical review on the operation of gas air conditioning equipment and its advantages; (2) to bring those in attendance up to date on the newest developments; (3) to give them a chance to pool knowledge on sales and appli-

cation of gas air conditioning equipment.

SWIMMING and other diversions were available at the Hacienda, but there wasn't much spare time. Intensive classes were held daily with several hours spent each night at round-table discussions based on case histories from various sales representatives' on-the-job experiences.

Twenty-four Southern Counties people were there, representing all eight of the utility's operating divisions. Areas served by those divisions include the Santa Monica and San Pedro Bay areas, Pomona Valley, eastern San Gabriel Valley, and the entire counties of Orange, Ventura, Santa Barbara, and San Luis Obispo, encompassing over 870,000 gas-using homes, businesses, and industries.

FAIR MAIDEN . . . Giving California's topography a new look is Donna Marie Slodki, 18, first contestant selected for the California State Fair's Maid of California contest. Final selection will be made during the fair in Sacramento from Aug. 28 to Sept. 9. Contestants will represent California's 58 counties. Donna Marie was recently named Maid of Santa Clara County.

City Issues Permits for \$4 Million

Building permits with a value of \$4,029,934 were issued by the city during June. The June permits brought the first six months total for 1963 to \$26,947,626.

Twenty-nine permits were issued in June for 300 multiple dwelling units, bringing the 1963 total figure to 1372 new apartment units. An addition of 19 single family homes increased the six months total to 367.

A TOTAL of 300 permits were issued. Among them were permits issued to Wallich Music City for a new retail store and to A. B. C. O. Leasing Co. for new offices and warehouses.

Permits for June were third highest in the six months period. May totals were 269 permits valued at \$6,390,083, and March permits were valued at \$6,064,165.

OTHER TOTALS for June included permits for eight commercial buildings or additions valued at \$363,025. The 29 permits issued for multiple dwellings were valued at \$2,619,650. The largest permits issued for apartment units were for the construction of two 41-unit apartments at 23022 Samuel Ave. The permits, issued to Donald Hunt, had a combined value of \$407,485.

Roses are durable shrubs which tolerate intervals of drought and bounce back from them. They are much better for regular watering, however, both in the looks of their bloom and their foliage. The soil should be moistened to at least a foot deep around rose bushes every time you water, so don't just sprinkle them for a short while and let it go at that. In large rose gardens irrigating in trenches is the most convenient method of watering. With only a few shrubs, simply dig an irrigating basin around each and let the hose run gently into it for several minutes each time you water.

Theater Will Screen Title Fight July 22

The Warner Theater, 478 W. Sixth St., San Pedro, will hook into a national closed circuit television network July 22 to show the Liston-Patterson world championship fight. Seats for the fight are now on sale.

Sonny Liston will meet Floyd Patterson in a rematch of the championship fight which saw Patterson lose his title. All seats will be reserved, but choice seats are still available.

Reservations may be made by calling the box office at Terminal 2-7227.
